

WESLEY HOUSE MAY BECOME YOUTH CENTER

A Methodist Church 'Task Force', chaired by Paul Butt, has asked Ken Zucker, Wilmington Recreation Director, to submit ideas on the use of the Wesley House as a Youth Center, for the youth of Wilmington.

Mr. Zucker is to submit his ideas in time for a meeting scheduled for September 17th., after which a second meeting is planned for Sept. 28, to submit the ideas to the church's Administrative Board.

More Money For Highways Says Cain

The Massachusetts legislature, before the end of the 1970 session, voted more funds for Wilmington highways, Rep. Fred F. Cain has reported from his hospital bedside in the Massachusetts General Hospital.

\$150,000 was appropriated for the alternative Route 129, which is to by-pass Wilmington Square. The money, Cain says, is in the Middlesex County Budget, as voted.

This brings the total in the Route 129 budget for Wilmington to \$300,000. There is still about \$50,000 in the Nichols Street Bridge account, which, if not used for sidewalks, could be used on other bridges, according to Cain, and the \$100 thousand appropriated by the Town of Wilmington as matching funds for bridges brings the total of funds available to \$450,000 for roads and bridges in Wilmington.

The Boys in Back had some ideas, Too

A group of youngsters, last Thursday, initiated some direct action, to better their lot, while other youngsters were upstairs, in the Public Library, talking for their group.

A man who shall be nameless, left the Youth Speaks meeting early, and then left the library by the back door.

As he left the building he was a little conscious of a flurry of movement in the darkness, but he thought little of it.

But when he got to his car it was to discover that he had interrupted a party, and the object of that party was his car radio. The doors of his car were open, and the radio partly removed.

The proposal is the result of a long discussion in the church Monday evening, by the group and others. Also heard was a proposal from Dr. Ralph LePore that the building be sold to him. Dr. LePore hopes to establish a physicians office in the building, which would, at least at first, be for him, but which in time might be a medical center.

The Wesley House, on the corner of Thurston Avenue and Church Street is about sixty years old, and was built for Ed Nelson Eames, prominent merchant of half a century ago. It was acquired by the Wilmington Methodist Church in 1963 for the price of \$22,000. There is no outstanding mortgage on the building, and it is used for Sunday School classes, and also by the Wilmington Counseling Service, several times a week. At other times it is empty.

One dead and three injured in Sunday crash

A Sunday afternoon accident on Middlesex Avenue near North Street claimed the life of a fourteen year old girl, and left three North Wilmington youths hospitalized.

Kathleen A. Krugaluk, daughter of Mr and Mrs Arthur E. Krugaluk of 239 Middlesex Avenue was dead on arrival at the Choate Memorial Hospital in Woburn.

John Friberg, son of Mr. and Mrs. Wilfred Friberg of Seaford Street is in the Massachusetts General Hospi-

tal in Boston with a crushed chest. His brother, Clifford, at the Choate Memorial Hospital in Woburn, is still in a coma.

Earl Ellis, son of Mr. and Mrs. Paul Ellis of Oakdale Road is in the Winchester Hospital, suffering from throat and foot injuries.

The accident occurred Sunday shortly before 4 pm, when a small car operated by John Friberg struck a telephone pole in the front yard of the Stepping Stones Kindergarten. In addition to the ambulance of the Wilmington Fire Department, the Avco ambulance responded to the emergency call.

Alternate Route 129 County Commissioners Give Go-Ahead

The Middlesex County Commissioners, Tuesday, granted approval to petitions asking that a reconstruction of Andover Street be laid out, along with a relocation of Route 129, including a bridge over the 'Wildcat' branch of the Boston & Maine R.R.

Field crews have been surveying the areas involved. The County will now take the information from the survey crews and draw up preliminary plans for the projects.

The hearings were held in a vacant court room in East Cambridge, having been moved from the County Commissioners office because of the number of persons interested in the proceedings.

The Andover Street petition was approved with hardly any passing comments. James Miceli reported the Board of Selectmen to be in favor.

The petition for the laying out of a new Route 129 other than the proposed bridge was approved by James E. Milano, counsel for the Boston & Maine Railroad. He reported the railroad to be in favor.

On the petition for the planning of a bridge over the Boston & Maine, the railroad was again in favor.

Lawrence Flaherty of Hobson Avenue appeared and stated that the residents of the Brand Avenue area were having drainage troubles now, and that he didn't want to see any new road coming through without provision for drainage. In addition, he felt the bridge would dump traffic into the congestion of Wilmington Plaza.

Town Manager Sterling Morris refuted these statements with the explanation that this was not the bridge in

CADET DANA MATHER IS AT CAMP BUCKNER

Cadet Dana C. Mather, son of Mr and Mrs Charles F Mather of 36 Park Street, is receiving training this summer at Camp Buckner, on the reservation of the U.S. Military Academy at West Point, N.Y. He is a third classman (Sophomore) at the Military Academy.

More than 800 sophomore cadets, under the instruction of seniors and Regular Army officers, are participating in the eight-week course which is designed to acquaint them with all phases of leadership at the platoon level. The future officers are being instructed on the weapons and equipment of the Army combat and support branches - Infantry, Armor, Field Artillery, Air Defense Artillery, Signal Corps and Engineers.

Dana is a graduate of Wilmington High School, class of 1969.

question. Mr. Flaherty, he said, was referring to the bridge to be built by the state over the Lowell Division of the B&M. This hearing was for the bridge over the 'Wildcat' tracks of the Boston & Maine Railroad.

Miceli asked that the Board of Selectmen be notified of the plans as soon as possible.

With no further debate the Commissioners then voted in favor of granting the petition, unanimously. They explained that the granting of the petitions was not an approval for construction, but only an 'ok' to start the planning of the projects. There will be more hearings at a later date.

DO YOU OWN, OR PLAN TO OWN A SWIMMING POOL?

Residents of Wilmington are reminded of the following requirements of Division Number 21, Building By-Law.

1. Building permits are required before a swimming pool is erected or installed.
2. Swimming pools must be enclosed by a fence of at least six (six) feet high.
3. Yard and setback requirements of the Zoning By-Law must be complied with before a pool can be erected.

Building Inspector, Town of Wilmington

Youth Discussion

Wayne Lockamon started something. At 8 pm last Thursday there were 90 youngsters in the meeting room of the Wilmington Memorial Library. 6 minutes later the number had increased to 130 - which is the lawful number of people who can assemble in that room - but still they came.

When the Town Manager arrived, about 8:45 pm he had to detour through the kitchen - there were too many young people standing in the hallway, listening through the passageway at what was happening in the meeting room. The air conditioning was not able to take care of the crowd. The room was hot and stuffy, long before the meeting was finished.

Crowded conditions in the Public Library

Ken Zucker, the new Recreation Director of Wilmington made a hit with the youngsters. He was able to talk their language.

And, while there were really no concrete results of the discussion about what is there to do - there are now a few names in Zucker's files of some young people who are willing to serve on committees, and try to find some answers.

Zucker opened the meeting by introducing Wayne Lockamon, whose letter to the Town Crier, he said, had precipitated things, by saying that the young people were no longer able to meet in the DeMoulas parking lot.

Zucker said that basically there is nothing for the teen-ager to do in Wilmington. He and some other adults were there, he said, to listen to them.

The first question was posed by Steve Coolidge.

"What has the Planning Board done for teen-agers?"

Bill Hooper of the Planning Board said he was there to learn, and to listen. He thought that perhaps one of the schools which were to be phased out could be used as a Center.

The second question, by another person was "What makes officials think that supervised facilities are needed - why not a movie - a drive-in or bowling alleys. Why not encourage the building of this type of recreation?"

It was the first time that such a question was asked. It was due to be repeated in half a dozen ways, in the next 15 minutes.

Zucker said that such facilities are private enterprise, and he could not give an answer as to why there were none in the town.

Another youngster commented that they were always being kicked out of places, and they were being harassed.

Zucker said, that as far as moving the kids from parking lot to parking

Wayne Lockamon receives the plaudits of his compeers. At right is Ken Zucker, who introduced him.

lot - the police were not moving them. This brought out a hearty laugh from his audience.

Steve Coolidge spoke up to say that when someone applied for a license for a pool hall, he was unable to get it. He wanted to know if any of the Selectmen were present. There were none, but Hooper spoke up to say that the licensing is the prerogative of the Board of Selectmen. He felt that the young people could address themselves to acquiring a coffee shop, or a teen nite club. This met with the approval of the youngsters. They clapped and cheered.

Zucker asked those present why they didn't go to the St. Thomas Youth Center, or the Congregational Church Coffee House?

There were plenty of comments to that question. They came from all sides.

"It costs too much for the admission and to play games". The Youth Center is open only three nights a week. "The Chaperones outnumber the kids". "There is a backlash from the parents who would not allow their kids to attend because they thought drugs were being used in one of the paces".

Somebody wanted to know how much money there was to start a program at this time. Zucker told them that the fiscal year runs from January 1

to January 1. Two thirds of the budget had already been spent on the various projects. He also told them that they were there to discuss ideas, and not money.

Somebody asked if there was an old building available where the kids could "sit around and rap".

Zucker felt that perhaps such a place could be found - and the kids could be responsible to fix it up and could use it afternoons, and in the evening.

An adult wanted to know who was getting the kids out of the parking lots - the owners, or the police?

Zucker said there had been a beer problem, and that the police cannot allow anyone under 21 to drink, because it is against the law. He went on to say if there was to be a building owned by the town, and used by the teen-agers, no beer drinking could be allowed there.

The arrival of Jim Banda and Jim Miceli, Selectmen, was greeted with some applause by the youngsters.

After introduction by Zucker, Steve Coolidge then addressed his previous question, about the pool hall license.

Miceli said that he had voted against the pool hall because there were no parking facilities.

The conversation swung to the possible use of the Betterment Hall at Silver Lake. One youngster said that the building needed some re-inforce-

ment, and work done on the windows. He said he had investigated and found that it had been leased to the Town with the provision that a fire station be put there.

Banda and Miceli, separately, said that the hall was still owned by the Silver Lake Betterment, and until the town received a deed for the property nothing could be done.

Banda addressed himself to the question posed earlier concerning the possible use of a building as a "drop-in" center. As Hooper had said, he felt that possibly with the phasing out of one of the old schools such a building could be found.

Zucker replied to a question about the money used by the Recreation Department. It goes, he said, for equipment for the playgrounds and the beach, and to the beach staff, and salaries. He noted that not much was spent on teen-agers, but that the recreation committee was trying to do something about it.

TM Sterling Morris appeared at the kitchen door. The question was also given him, just as he arrived.

The town is looking for a building for its own use, he said. There is the old South School, but the Skating Club and the Jaycees are using it. He didn't think it would be right to take the building away from them.

Mrs. Claire Cabral, of the Wilmington Drug Committee told of a program initiated by the youth of Stoneham.

There the young people had the permission of the School Committee to use the cafeteria and gymnasium of a school. The program there was working well - perhaps it could be used in Wilmington.

Zucker felt that they had dwelled long enough on the topic of finding a building. He wanted to know what else the young people would like to do. He had been approached by a band that wanted to play in Wilmington. Would the young people want an outdoor dance?

The discussion switched to fees and finances, involved in the use of the school facilities for a dance. There were janitor's fees, police fees, etc. the youngsters said.

The Town Manager said that if they (the teen-agers) wished to have a dance, and were worried about the janitor's fees - there wouldn't be any! His comments were answered by cheers and clapping.

Charlotte Stewart, of the Recreation Commission said that the young people should be willing to use available buildings now, and it was possible that a building of their own might be available of their own might not be available for a few years.

Miceli asked if the school buildings were made available now, - would this be a step in the right direction?

Enter the Chief of Police. The kids wanted to know if there was a place where they could "hang around".

Chief Lynch said that the young people of Wilmington had "done well". He was proud of them. His yardstick for measuring performance was that Wilmington was sending fewer of their young people to Billerica (House of Correction).

"If we're so good, why aren't we allowed to hang around anymore?"

Lynch said that DeMoulas owned the parking lot and used it for business. He never thought it would be used for other purposes.

Lynch spoke of a fence at DeMoulas that had been vandalized and had to be repaired.

Then he said that anytime any of them wanted to use the DeMoulas

"What's That?" Sterling Morris, surprised by a question, as he entered the library meeting room through the kitchen.

Selectmen's Meeting

The name of Willet Aylsworth of Pinewood Road was drawn, by Mrs. Drew, to serve on jury duty at the Civil Session in Lowell starting on September 14th.

A Mr. Delia had filed an application to operate a pony ring on the Britt property at the corner of Main and

Eames Street. It was unanimously approved on motion of Mr. Miceli.

Robert Clark of West Street appeared for a 'rational discussion', as Chairman MacDonald stressed, at the start of the session. Mr. Clark lives in one of the new homes on the

"winding road" area of West Street and he has water problems. The problem boiled down to the fact that a ditch that is supposed to drain the area is clogged. The solution to the problem was agreed upon as finding the owner of the ditch, and other back land, and obtaining easements. Mr. Clark said he would return to the next selectmen's meeting.

Robert Jordan of Carter Lane again

appeared before the board. He wanted to know when the gate to the West Intermediate School would be erected. TM Morris told him that the money had to be released by the Permanent Building Committee. Jordan said he hoped it would be before a tragedy occurred.

Recreation Commission

Mrs. Charlotte Stewart introduced the new recreation director, Kenneth Zucker. Mrs. Stewart had two requests: (1) She wanted the board to give formal permission for all scheduling for the Town Park to go through the Recreation Commission; and (2) she wants to establish a policy for use of the Town Park.

Mrs. Drew spoke up to say that the name of the park is the Veterans Memorial Town Park.

Town Manager Sterling Morris had praise for the work that the Recreation Commission has accomplished of late.

Mrs. Stewart added recommendations that the town should accept the General Law which prohibits drinking in a public place, and that something be done to legally limit the size of motorboats on Silver Lake.

The Kiwanis Club was granted permission to erect a street banner to advertise their upcoming annual bean supper.

Hatch Act Hearing

A Hatch Act hearing for the PGA Realty Trust brought out a great profusion of maps, along with Fred Dew-snap of the firm of Dana Perkins & Sons, and Attorney Joseph F. Courtney. The PGA Trust owns an 86 acre tract of land north of Route 125 which has about five acres of wet land, all at relatively high elevations. They propose to drain the wet areas, with the water flow to be towards land said to be owned by Robert Corey. The matter was taken under advisement by the Selectmen, pending a decision by the Planning Board on Tuesday night. The Selectmen agreed to meet on Wednesday morning to make a decision.

The Selectmen decided that the Primary elections, on September 15, should be from 10 am to 8 pm.

Logan Airport Bus

Thomas F. Plouffe of the Hudson Bus Lines asked for a license to have a limousine stop at Avco, on the way to Logan Airport. He had a letter from Avco stating that there was a need for such service.

The service, he said, would be open to the public, and if someone not connected with Avco were to use it they could be picked up at the corner of Woburn and Lowell Streets. The fare, he said, would be \$6, with service by reservation.

The board decided to hold a public hearing on September 14, so as to allow the local taxi companies to state their views.

Box Trailer Garage

Representatives of Unitrust Corp. appeared to ask for a garage permit. They want to build a garage on land between Louie's Oil Company office and Tom's Chevron, on Main Street, for the repair of box trailers.

The request was denied because of the upcoming decisions on High Density Zoning for the area.

TM Sterling Morris told the Selectmen they have until September 17 to decide on the 1971 Chapter 90 Construction of roads. He wanted to have the board start thinking about which roads should be done first, and recommended Andover Street and Eames Street.

Selectman Jim Banda wanted to know if the Eames Street RR Bridge could be removed on Eames Street at the time of the construction. If it were not possible to remove the bridge he did not want construction to take place, as that would result in someone having to pay for a new bridge.

Lawrence Flaherty of Hobson Avenue appeared to speak on water problems. He felt that if Lubbers Brook were cleared the problem would be relieved enough to that there would no longer be an emergency.

Timothy Ring wanted to know if the land which the Town has taken by eminent domain were to be used entirely for a beach, on Grove Avenue, or if some of it could be used for a boat launch. He was told that it was quite possible that such a feature would be incorporated in the facilities to be constructed.

A. Daniel Gillis asked that the Town do something about the end of Burlington Avenue where the town stopped paving because the course of the road was to change. The area at the end of the new pavement floods quite easily, he said, and creates a bad condition.

Woburn Street Trucking

A group of ladies were present to ask that something be done concerning trucking on Woburn Street. Mrs. Shirley Callan presented the Chairman with a petition.

Mrs. Lowe said that she lived in one of the older houses in the area, and that she had no soundproofing at all. During the construction of Route 93 she knew that the gravel trucks were only temporary. However the truck traffic that has been built up since the completion of Route 93 has now become unbearable.

Mrs. Louise Howe said that on Aug-

Medicare is one of the most important government developments in the field of care for the aged. Yet many of us have no idea what the Medicare program covers. Here are some basic facts about Medicare.

The Federal health insurance program does not offer medical services. It is a government-financed system of paying hospital and medical bills.

You choose your own doctor, who prescribes your treatment and place of treatment. Medicare pays the major part of the cost of many illnesses that require hospitalization, but it does not cover the cost of routine examination.

If you are approaching age 65, or know someone who is, be sure you are in touch with all the latest Medicare developments.

Also be aware that you can fill all prescriptions at SILVER LAKE PHARMACY, 52 Main St. Tel. 658-4617. Cosmetics, Greeting Cards for ALL Occasions, Candies. Open 9-10 EVERY day.

HELPFUL HINT: Medicines not customarily provided by the hospital, on prescription from your doctor, are not covered by Medicare.

Nosey Nancy

Send your announcements to Nancy, Box 206, Wilmington or call 687-7141, and after five, 658-4865. If I'm not there, I'll call you.

Well, this has really been a week to remember in the Town of Wilmington History...and this Gal wants to tell you all that she is really thrilled that you all responded so well to her pleas...Now let's get with it...

Teen Talk is one of the biggest things that happened around here for quite sometime. No. 1 this Gal is happy that someone is finally listening to the kids...Now, there did seem to be three general reactions that this Gal glimpsed from her inquiries...so this is only from observation, since she was setting in the School Committee Seance that evening with her temperature and blood pressure at 280...so this is strictly from what's the result of rapping with the kids and the adults First young adult thought that it was good that something might come out of it...second adult thought that it was excellent...third an upper teen ager said that it was lousy...that it didn't get anywhere or do anything and that the adults were allowed to take up their time with grousing when this wasn't what it was designed for... Anyways...it is a beginning and with about 15000 people under 30 in this Berg...it is about time we began to listen to where it's at...and what they want...So, congratulations to the Recreation Commission and Ken Zucker the new Director for getting with it.

Then the other place of note was Monday night at the Methodist Church

when Paul Butt, the Lay Leader at the Church had called a meeting of the community for general plans to be suggested...and they really were turned out...the Teen Com Walk in Center from the Rec Com, the Play Skool, and Drug Walk-In Cntr. and even one of the Professional Fellows in Town with a proposition to buy the place for an office building...So the Board of Trustees will decide what the disposal will be shortly... Go it Methodists with the Community Action which your people are now showing at Town Level, and let's see what this will do...Congratulations to Paul for the excellent Leadership and to the Community for turning out with their ideas...

Met Mabel Manning this morning in the post office and she was looking well rested and blond...and she said she and Bill just got back from Florida...Wonderful vacation and you certainly look great, Mabel!

The Bigg Butter and Egg Man, Bob Evans, came in to see the Red Plush Pad with the Swinging Grandmothers for the Coffee Hour on Tuesday and we certainly were glad to see him...We miss that boy...and when asked when he was coming back to Willie, he said he didn't know that the cows and cattle were growing by leaps and bounds...and he was busy clearing pasture land for them...so it kind of looks like we lost a good man and he's settling in up there in Londonderry...but we won't give up on him and BJ...they were great for this Town...He said when leaving... 'Gee, if some of the guys that fell off the stools in the diner, could only see it now.' Now...looks like all we need is for Pearlsie Babes to paint that Maverick Red to match

the Little Red Wagon and the Red Plush Pad...and...

Hear that those Jackson Bros took forty fellas on a fishing party yesterday on the Deep Seas...among them were Big Joe, Paul, Nick, Fred, Lionel, Dickie S...Wonder if that is where the Chief disappeared to...This Gal heard that they took plenty of Varnish from Frankie Griffin's stock...Didn't see the Fish though...and come to think of it... haven't seen the Fellas either... Wonder if...

Viewed the Shawsheen School Park in Lot last week, and that was a shambles to behold...Listen you guys and dolls...this gal isn't against the kids rapping in groups...but like that Plaza on Easter Sunday morning...she does object to the junk you leave behind...so, you want us to help you...which many of us are trying to do, boasting that the kids can take care of the kids...what about you helping us...cause that really doesn't belong to you guys, you know, although we'd all like to think so...it belongs to the taxpayers in this Village...and you are trespassing... or shall we say...loaned the use of the lot...so, let's get with that bending and picking so that it is immaculate...and you don't leave this Gal with her bare face hanging out and those adults saying, 'We told you so!' Knew you'd do it!

And did we ever have a ball at Fred Cain's Do last Saturday...just like we promised...there was a great turnout on a great night with a great band...Where did you find them, anyhoo, there, Ann...The Duggans from Billerica did we get that right? Well

WILMINGTON WINS CONTROL OVER SUBSTANDARD HOUSE LOTS

'Fifty-Foot' House Lot Filed Again

The proposed Fifty Foot Law which failed to get through the Legislature last year has been filed again, by the Wilmington Planning Board, through Rep. Fred F. Cain. The bill would allow no more than three homes to be built by any one person, on house lots of fifty foot width, in Massachusetts, and is in effect an answer to a bill which was successfully passed in 1958 by

by a home builders association. Chairlady Madelyn McKie and Danny Gillis (along with Mrs. Gillis) attended a Board of Directors meeting of the Massachusetts Federation of Planning Boards, Tuesday night, in Braintree, in an effort to enlist the services of the Massachusetts Federation behind the bill, which it comes up before committee hearings in the Massachusetts Legislature.

HOUSE No. 4878

By Mr. Cain of Wilmington, petition of Fred F. Cain (by vote of the town) that the town of Wilmington be exempt from the operation of certain requirements of the state zoning law. Local Affairs.

The New Law

No building permit shall be issued in the Town of Wilmington unless the lot upon which the proposed building will be erected corresponds with the minimum area, frontage, width, depth and yard requirements established by the zoning bylaws of the town for the district within which said lot is located.

Dear Mr. Cain:

As the member of the Planning Board assigned to work with you in obtaining legislation to protect Wilmington from sub-standard building lots, I am pleased to summarize the benefits achieved for our town.

1. Through your efforts, Wilmington is the *only* town in Massachusetts exempted from the "grandfather's clause" in the state zoning law. This statute bars all other cities and towns in Massachusetts from preventing house building on lots of 5,000 square feet with a fifty foot frontage which were shown on ancient sub-divisions.

2. Speculative construction on such substandard lots threatened to depreciate the value of homes which had been constructed in accordance with our Zoning By-Law.

3. The use of such small lots would ultimately tend to cause saturation of sewage effluent in areas with a high water table.

4. On June 20, 1969, when the corrective legislation for Wilmington was enacted, there were 679 substandard, so-called "Fifty Foot Lots" in Wilmington, which could have been built upon in defiance of our Zoning By-Law. There were another 251 lots of less than 50 feet which could have been combined into additional substandard lots.

5. In future school expenses alone, your special legislation saved the Town of Wilmington from constructing the equivalent of 50 classrooms - an estimated \$1.75 million. Similarly, our taxpayers were relieved of future estimated annual school operating expenses in excess of one million dollars a year.

Through the enactment of Chapter 438 of the Acts of 1969, you were instrumental in protecting the integrity of our Zoning By-Law and insuring effective home rule for the Town of Wilmington.

Sincerely,
A. Daniel Gillis

Re-Elect REPRESENTATIVE FRED F. CAIN

Political Adv.

s/ Richrd V. Barry, Longview Road
Mrs. Marion Boylen, Williams Ave.

NOBEY NANCY
(FROM PAGE FIVE)

we certainly did miss Fred F, but am glad he is recovering from his session at the MGH so nicely...and don't know how Renee Lariyee is doing with the Campaign Managing, but if it's anything like he can do on the dance floor with a Polka...or should we say dance parking lot...it's great...This Gal had to throw away her shoes to keep up with him

and was that ever fun...Good luck with your work there Boys...looks like a good team...and may I compliment the Young Folk under the direction of Tony Antonowich and all of the effort they are putting into the help...these kids will really know where it's at when that 18 year old vote comes through... That's where it's at, Kids...putting the work where your mouths have been...Those are our kids...Whee...This digging is really

beginning to show the Light...and this Chick is really PROUD of ALL of YOU!

Louis Maglio of Lawrence Street has a bumper sticker on his car "Italian Power". Beside it is another, a sticker for the one candidate running for State Legislator who is not an Italian!

Square Dancing with the Sons of Italy on September 12 at the Legion Hall at eight, for \$1.50, with coffee and sweets served...and they even promise the Hully Gully also with the Caller instructing...That should be a great time...Hope those beams are sound enough for that Hully Gully...Right, Roy?

Did ja see where AVCO ran a speak-out this week along with the Golf Tourney?...Well, I'm with AVCO...Congratulations...and Bryan Lindsay of Richmond, Kentucky spoke for the Silent Majority in this country: 'Consider two other silent majorities of our time, the Soviet Union and Communist China...America has always been a noisy place... If you're thinking of joining the silent majority, think seriously and carefully, because both anarchy and dictatorship grow sleek and fat in an environment of silence... And then the comment from the Editor of the Globe yesterday was... 'We are not sure what AVCO sells, since it gave up its right to the customary sales pitch, but whatever it is, if it fits our purse, and we have use for it, we'll buy it'...and this Gal's with him!

Watch for the Jimmy Fund Horse Show on Sunday, Oct. 11, 1970 at the NSHA Showgrounds...which we assume is the Clark Farm to us local Yokels...Will tell you more about this later but if you want to register call Jeannette Dennis, 1390 Broadway, Haverhill 374-4633.

Al and Marge Powers and family left for San Francisco the first week in August, where Al will be with a new job at Sears Roebuck...We'll

miss them and so will the S of I where he was the Venerable...but new places, new opportunities...and lots of luck to you folk!

Then for the young folk, the CYO is holding a Dance on the 5th from 8 to 11...the tariff will be \$1.25 for non-members...and the ban will be Teapot Dome...Dress Code enforced...which sounds terrifying...would rather say jackets and ties preferred...Righto.

And the CYO is on a fund raising drive and will be selling the Herald Traveler after all Masses on Sunday and the next to raise money... Papers will be fifty cents with one-half to the Hospital Fund and one-half to the CYO.

We had further news of Charlie Boyden of Nichols Street this week... She went into the Student Nursing Program of the Med. Corps on July 9 and was at the U of Mass aiming for her degree in June of 72... They gave her permission to finish her final two years at the U of Mass and six months before graduation she will be commissioned as 2nd Lieutenant and for the past six weeks she has been at Springfield Hospital... Now after a short vacation this week at home, she is scheduled back at the U of Mass for the fall term in her junior year... Much luck, Charlie...let us know how it goes!

A new tuition eight grade Seventh Day Adventist School is completed at 108 Pond Street Stoneham with approximately 222 students to be enrolled... More information at the Mass Memorial Hosp

Kids, another Carnival for Boomtown at Chris De Morrow's on Frederick Drive... It's going on now... for Thursday Friday and Sunday at 12:30 through 3:00 pm. Promises to be Fun...and that's the way...pennies, nickels, and dimes, and up you go...

for a good cause...now you're off for a gay old time.

Are you back on the Card Circuit yet... Well, now, that vacation is over and here we go: To all of the Boys in that accident last Sunday in North Wilmington: John Friberg at the Massachusetts General, who is now out of intensive care and doing fine Earl Ellis at Winchester Hospital with tough feet and a bandage over a serious cut; and Cliff Friberg at the Choate Hospital in Woburn... Our Rep Fred F. Cain is hopping around we hear, with a phone in his room yet at the Mass General... our personal envoys delivered the news...and Joe Francis is recuperating at his home in Carter Lane after an operation on his knee...so that will keep you on the toes for a while.

Well, now, here's one...Emile's Girls are bowling at Pleasure Lanes in North Reading on September 8th at 9:30 am...and will teach...So if you're over 21...and there are a few of us that qualify...tho not many of us will admit to it...get over and join them...For more info call Ann Knowlton at 657-7252 anytime who is herding the group.

From the boys...not much...Tommy Pierce is now assigned to the USS Franklin Roosevelt at her homeport Mayport, Fla, which shouldn't be too hard to take, since it is undergoing maintenance and, then is due for the Mediterranean...Some kids have all the luck...And No. 2 Son says he's due back from the Czech Border in to Amberg this week for a new track and school to show him how to operate...the track that is... For a kid with no apparent mechanical ability all of his life...he's sure showing the true Clan Colors...Atta Boy, Choag!

So, have you a good week...

Shawsheen Regional School opens in September

Two Wilmington residents who are working steadily to insure the opening of the new regional vocational school in Billerica are Frank H. McLean and Eugene L. Kritter.

As part of the ten member school committee of the Shawsheen Valley Technical High School, the two Wilmington citizens are contributing to the realization of a long time dream and providing alternatives to an academic education for Wilmington students. The school, located in Pinehurst (up Hopkins Street Wilmington, and beyond), is scheduled to open on September 9th. It will service Billerica, Bedford, Burlington, Tewksbury and Wilmington.

The school is estimated to cost \$5 million to construct, and will be the 10th reg-voke school to be constructed in Massachusetts in the past decade.

Eugene Kritter lives at 11 Pilling Road, and is presently serving a two year term on the school committee. An Engineering Manager at Raytheon, he intends to seek re-election to the school board next March.

Long involved and interested in education for the young, Kritter served in a number of positions at St. Thomas CCD in Wilmington, including several years as Principal of the High School of Religion.

He has also instructed a course in Probability and Statistics for the Raytheon Institute. He is currently the Vice Chairman of the School Committee.

Frank McLean has served on the Shawsheen Tech's School Committee for over four years. A long time resident of Wilmington, he is the father of four children, a native of Everett, Mass., and is employed by the Federal Government with the General Service Administration as a Quality Control Representative.

Previous community involvement for McLean includes a stint on the Wilmington Housing Authority, a representative member of the Council of Churches, a member and past Chairman of the Baldwin Civic Association and as a member of the Board of Directors of the Wilmington Community Fund.

One of McLean's prime frustrations, he says, that in the past, tradesmen always learned their skills from their

fathers, grandfathers or local tradesmen. As a result, he claims, many techniques were considered as gospel and tradesmen were never versed in the methods or importance of reading or the relevancy of conducting research.

He has long felt that it is possible for an individual to obtain vocational or technical training, together with an academic education, by attending a technical high school.

McLean has a brother who is Director-Superintendent of the Bridgewater Raynham School, and who holds the traditional academic administrator's view that all vocational or technical training should come after 12 years of academic education.

Eugene Kritter, the father of four children, is married to Joan Kritter, a Registered Nurse, and feels that the present day society "needs craftsmen". Kritter says that a vocational education provides some of the answers.

"Not everyone is suited for a profession in medicine or law," he says.

"We have to do something to provide training for young people in particular skills, which will be to everyone's benefit."

A graduate of Marquette University in Milwaukee, Kritter holds a Bachelor Degree in Electrical Engineering.

He has taken additional in-service courses at the University of Massachusetts, in conjunction with his work at Raytheon, and is a Senior Member of the Institute of Electrical and Electronic Engineers. He, with Frank McLean, looks forward to witnessing the first graduating class of "well rounded adults" at Shawsheen Tech.

PUMPING STATION VANDALIZED

Damage by vandals to the Shawsheen Avenue Pumping Station was discovered on Friday morning, during a routine check by Water Department employee Joe Barton.

MONEY STOLEN

A break into the McNeil residence on Allston Avenue was reported to the police on August 25. A sum of money was reported to be missing from a safety box.

YOUTH DISCUSSION (From Pg. 2)

parking lot, if they did it his way, they could play all the ball games they desired. He even joked that he would join them.

He wished they would stay away from Friendlies, and the business area. He asked it they had ever considered the use of the Town Park?

"Why were we chased away from the Shawsheen School?" one young person wanted to know.

Lynch told of the many police problems, which had resulted in some of the young people not being able to use their favorite places to meet.

Also testifying in the same tenor was Jim Banda, who told of the problems he had witnessed.

An adult spoke up to ask about the possibility of using Camp 40 Acres.

"Now what are we going to tell our parents?" was the comment of a teen-ager "that we are going into the woods?". It nearly broke up the meeting.

The meeting broke up into small groups, giving the adults present an opportunity to speak with the young people, and the collection of names of young people who wanted to discuss the problems and answers still more. The meeting broke up at 10:30.

Surprise at the Railroad Depot. These three ladies have taken it over, for the coming campaign, and, as can be guessed, they are working for Fred F. Cain.

Corner**

By Charles B. McAvaney

What are some aids to selling your house?

Your broker can be a great help at selling time. He then shows the house to prospective buyers.

You will find that setting a realistic price on your house will save time and money. For this reason, you may ask your broker to provide a market value appraisal. He may also point out possible needed repairs.

A house should look its best at selling time. Trim appearance of the residence and landscaping is important. The house should be clean and neat throughout. Minor repainting and repairs can make a favorable impression to a buyer.

It is usually good practice to be out of the house when it is shown. Your bro-

ker can arrange to inform you when prospective buyers are coming.

**WATCH NEXT WEEK FOR: PROP-
ERTY VALUE.**

Do you have special real estate problems? See the experts at **MACK ASSOCIATES**. We're well experienced in all facets of real estate, including appraisals, residential, business and commercial real estate, and we'll be happy to serve you. Licensed in Mass. and New Hampshire. **MACK ASSOCIATES**, 415 Main St., Phone 658-2400 or 9351200. Hours to suit your convenience.

Planning Board Joe Courtney Passes with Four Aces

Attorney Joseph F. Courtney sat with four aces in his hand, Tuesday night at the Planning Board meeting - and he passed.

For several weeks, almost several months, Mr. Courtney has had before the board a plan, for a street in the industrial park north of Concord St. The street is being called Cornell Place, and would go off Fordham Road towards Route 93.

Twice, as the result of agreements Courtney has written letters extending the time for consideration. Last Tuesday evening was the deadline for the Planning Board to either accept the plan, or reject it. If they did neither the plan would automatically be accepted, according to law.

There was no quorum. Only Mr. Gillis and Mr. Grant were present. The Planning Board could not act. Mr. Courtney held all the aces.

But he passed. He agreed to write another letter, extending the time for another requesting that the time limit for consideration be extended to Sept.

8th. The Planning Board thus has two more weeks to consider the plan.

Courtney also had a plan for three lots of land on Main Street, at the corner of Miles Road. A Wilmington man, Angelo Petrosino, has bought the land, and would like to put up a professional building there.

It would mean a change in zoning from Single Residence B to Neighborhood Business. Gillis told Mr. Courtney that he could submit an article for the warrant of the Town Meeting, if he wished.

Hatch Act

Gillis and Grant decided that the proposed flow of water from the area in Route 125 Industrial Park, heard in a Hatch Act hearing Monday, by the Selectmen, might possibly affect the Wilmington water supply at the Brown's Crossing pumping station. They so advised a member of the Board of Selectmen by telephone. A letter is to follow.

Town Engineer Arthur Harding said

that he believed the water would be diverted by a state constructed ditch, and not flow directly into an area from which the water flows into a steam leading to the pumping station.

In other reports by the Town Engineer, Mr. Harding said that engineers have been busy for two days establishing final grades for Industrial Way, in South Wilmington, and he believed that the final coat of hot-top would be put in place shortly.

The question of drainage in the Benson Park area, he said, was a matter between the developers and the people in the area. The developer, he said, did cut into a small portion of the Smith property, at the corner of Radcliffe Road and South Street, and he (Harding) would see that this was corrected. At the same time he would talk with the developer about the drainage problems.

The developer, who had said he would be at the meeting, was not.

Other Business

The two men decided that letters should be written to the developer of Pinewood Estates, and the Wildwood subdivision, giving them until September 30 to complete their work, on penalty of having their bonds forfeited. A similar letter was decided on for the developer of the property off Concord Street where Lopez Trucking and the new Photon plant are located.

Miss Systems Division 1970. At the Avco picnic, last Friday, when employees from Avco Lycoming, in Stratford Conn., were guests of the Systems Division of Wilmington, Miss Anne Cullen of Woburn was named Miss Systems Division. She is shown receiving a bouquet from Linda Trimble, who held the title a year ago.

L to R: Linda Trimble, Miss Cullen, and members of her court: Anne Marie Boucher of Woburn, Chris Costa of Woburn Street Wilmington; Vonnice Perkins of Reading and Lisa Littlewood of Danvers. The Avcoettes, baseball team, defeated the Lycoming team, for their tenth win of the season.

OPENINGS EXIST FOR PLAYSCHOOL

There are still some openings for the Playschool, to be held on Thursdays and Fridays throughout the school year.

The program sponsored by St Thomas the Congregational, and the Methodist Churches, is open to five-year-old youngsters of any denomination whatsoever.

The program will include a wide variety of flexibly planned activities and the cost will be \$2.00 per week. Participation by the mother is mandatory. Children with 1965 birth-dates are eligible to be enrolled.

Interested parents should call Mrs. Cynthia McCue, 658-6829, on Aug. 27 and 28 between the hours of one and four in the afternoon.

ALBERT MARFLEET IN NORFOLK VIRGINIA

Navy Seaman Alber Marfleet, son of Mr and Mrs Albert H. Marfleet, 27 Boutwell Street, returned to Norfolk, Virginia, aboard the amphibious cargo ship USS El Paso, on August 7th., after a two month "shakedown" cruise and training period.

DOMENIC DANIELI GRADUATES

Seaman Domenic R. Danieli, the son of Mr. and Mrs. Domenic Danieli of Eleven Brattle Street was graduated from Basic Training at the Great Lakes Training Station in Illinois.

Danieli is a graduate of the Wilmington Public Schools.

ST. THOMAS CHURCH

Masses: Saturday Vigil 5:00 and 7:30 pm. Sunday - 8:15, 9:30, 10:45, 12:00. Weekday - 9:00 am.

Baptisms, Sunday, 2 pm at Church.

Friday, 9 am. Benefactor's Mass.

Next Sunday, the fifth Sunday of the month, you are asked to add something in the one collection for the Inner-City parishes struggling to aid the underprivileged. Two of their present projects are (1) the establishment of a hostel for alcoholic and homeless women, (2) an inner-city summer camp.

CCD: The Sisters are anxious to hear from more volunteers for their teaching staff. They will conduct instruction classes for them shortly.

TIRES SLASHED

Vandals slashed two car tires, on Monday, of an employee of the Screen Print firm on Ainsworth Road, while he was at work.

The employee, identified as a Mr. Constatine, found the tires slashed when he left the plant at the end of his days work. The value was set at \$60.

READING YOUTH INJURED ON MOTORCYCLE

Thomas Mills of 230 Walnut Street Reading is a patient in the Wincheter Hospital, as the result of an automobile accident on Tuesday evening. The accident occurred on the ramp for Route 93, at Route 62 in North Wilmington.

It occurred at 8:18 pm. The driver of the car was Stephen Chin, of the Chinese Restaurant in North Reading.

Deaths

JOHN ELLIS DOUCETTE DIED IN NABNASSET

John Ellis Doucette died at his home in Nabnasset on August 19th., at the age of 84.

He was familiarly known as J Elly, in Wilmington and North Reading for many years. Mr. Ellis was for many years the Chief Steward of the North Reading Sanatorium, when that institution was used for the treatment of tubercular patients. He retired four-teen years ago.

Mr. Doucette was th son of Jeremiah and Ann Dometille Doucette of Ballardvale Street, prominent in the beginnings of St. Thomas Church. His father was known as 'Jerry' and ran the first Catholic Sunday School in Wilmington.

He is survived by a son, John E. Jr., of Dracut and a daughter, Mrs Fred J. (Marguerite) Robison of Seattle, Washington. Two sisters also survive, Mrs. Emily Surrette and Miss Alice Doucette, both of Ballardvale Street. There are six grandchildren and two great grandchildren.

The funeral was held from the J. B. McMahon & Son Funeral Home on August 22nd, followed by a High Mass of Requiem at St. Thomas Church at 9 am., with the Rev. Fr. Edmund Parker as celebrant, assisted by the Rev. Fr. Edmund Croke.

Burial was in the family lot in Wildwood Cemetery. Pall bearers were Everett Doucette, Walter Doucette, William Doucette, Robert Doucette, Joseph Doucette and James Durkee.

KATHLEEN A. KRUGALUK

Kathleen A. Krugaluk died Sunday August 23, at the Choate Memorial Hospital in Woburn, following an automobile accident on Middlesex Avenue in North Wilmington.

Miss Krugaluk had resided at 239 Middlesex Avenue for the past two years. She was a student at the North Intermediate School.

She was born in Columbia, South Carolina on December 1, 1955.

She is survived by her parents, Arthur E. and Elizabeth A. (Brennan) Krugaluk, four sisters, Susan L., Elizabeth M., Lisa A., and Sandra E., and a brother, Thomas E.

Funeral services were held yesterday afternoon at the Nichols Funeral Home, with the Reverend Willis P. Miller of th Methodist Church officiating. Burial followed in the Wildwood Cemetery.

Pall berares were, Carl Capozzi, Don Harrison, Walter Carney, Mike Curran, Bill McGinley and Ken Mills.

MONTHLY IMMUNIZATION CLINICS

The Board of Health is starting regular monthly immunization clinics in September. German Measles Vaccine (Gubella) will be added to the list of immunizations to be administered along with other vaccines.

At this time, the Health Department would also like to announce that clinics will be held only in the mornings. The following schedule is to be noted:

Place: Villanova Hall

Time: First Tuesday of each month (9:30 - 10:30 am) September through June

Age Limit: 3 months to school age

Vaccines administered: Whooping cough, Diphtheria-Tetanus (BPT), Oral Polio, Measles Mumps, German Measles

This is a Free Clinic for residents of Wilmington. For further information call 657-7511.

CHRISTIAN DOCTRINE TEACHERS

There will be texts and methods used for Christian Doctrine Teaching this fall, which may be different in approach.

Being aware of this and realizing there are approximately 9000 new CCD teachers in the Boston Archdiocese this year, the CCD Office is sponsoring a September Teacher Preparation Program to familiarize the teachers with the psychology, theology, and methodology behind the series used for the coming year.

Locations in the close proximity to Wilmington will be Christian Formation Center in Andover, Tues. Sept. 15, and 22, and Thurs., Sept. 10 and 17. John F Kennedy School in Lexington on Thursday, Sept. 17 and St. Florence Parish in Wakefield on Monday, Sept. 14 and Tues. Sept. 15. These programs start at 7:30 P.M.

For further information call Rev Robert N Kelleher, Asst CCD Director at 254-0725.

Too bad the Smiths are paying all that money in heating bills.

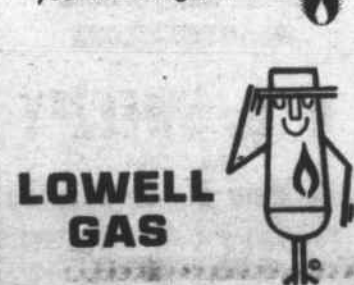

They could be saving 70% of it away for next summer's vacation.

How come? Gas gives you a better deal.

It's a shame the Smiths have to choose between a warm house and a cool vacation. Somebody should have told them that in their area electric heat costs two and a half times as much as gas. Don't wait for somebody to tell you. Check into gas heat. (Then call your travel agent.)

SPORTS ROUNDUP

K of C captures Division II Playoff Crown

The K of C outslugged NAPA, 11-9, last Friday evening to sweep the final series of the Division II, three games to none.

The Knights scored a pair of runs in each of the first two frames for an early 4-0 lead. Two of these runs came on George Pratt's home in the second inning. NAPA tied the game with a four run outburst in the top of the third, and went ahead in the fifth, 8-4, aided by McElahane's three run round tripper.

NAPA's lead was short-lived as the K of C bounced back to knot the score at 8-8 in the last of the fifth. NAPA regained the lead, pushing across a run in the sixth. But the Knights were not to be denied, as they scored three runs in their half of the sixth frame

to provide the margin of victory.

The game winning rally was started by Butch Murphy who led the sixth inning, reaching first on an error. Right fielder Wally Fullerton singled, moving Murphy to third. Then center fielder Paul Smalley slammed a base hit to right, scoring Murphy with the tying run. Left fielder John Smalley followed his brother with a two run double down the third base line to ice the win.

Dick Elliott picked up the win, while Casteel suffered the hard luck loss.

Tomorrow evening at the Town Park Smithcraft and K of C will play off for the regular season Division II championship. The two teams concluded the season tied for first place with identical 9-6 records. The ball game is listed for 6:30 pm.

POP WARNER STICKER DRIVE SATURDAY

Saturday the boys and girls of the Pop Warner Football Program will conduct their 4th annual House to House sticker drive. The drive will be supervised by the Board of Directors of Wilmington Pop Warener Football, Inc.

The girls will be selling stickers at the various shopping centers in town.

DAVID MAISON
HOME FROM VIETNAM

Airman First Class David Maison, son of Mr and Mrs Joseph Maison of 56 Chestnut Street arrived home two weeks ago, after a year stationed at the DaNang Airbase. He is a cryogenics specialist, in the Air Force.

Maison will be home until September 7th., when he leaves to report to the VanDenberg AF Base in California.

Tennis Tourney adds two Events

The Wilmington Recreational Department in conjunction with the Wilmington Tennis Club has added two more events to the Tennis Tournament. Singles for both girls and boys in the 12-15 year old age bracket are now to be included.

As previously announced, there will be both singles and doubles for men and women, as well as mixed doubles.

Play will get under way on Friday September 11th and continue through the championship finals.

Entries from Wilmington residents will be accepted until Friday, September 4th. Players will be notified of their first matches on the ninth. To register call the Recreation Department, 658-6512, during the day, or Ray Forest in the evening at 657-7445.

POP WARNER PEP CLUB SEEKS ADDITIONAL MEMBERS

Any girl entering grades 3 through 8 who has not joined the Wilmington Pop Warner Pep Club and would like to do so can sign up at the High School Field tomorrow evening, or on Monday, Wednesday or Friday night next week. The girls practice from 6 to 7 pm at the field on those nights.

HOME OWNERS CORNER

By Roger

Brushes are the most important single tool of the painter. A good paintbrush is a fine tool and should have good care: it should have no treatment that will bend or deform the bristles.

Good work cannot be done with a cheap or deformed brush: paint and varnish cannot be evenly laid on and distributed, or a smooth surface obtained.

In the best brushes, bristles are set in vulcanized rubber. Bristle brushes are suggested for all paints with a solvent or oil base. Nylon brushes with flagged tips for water paint. A good brush, whether bristle or nylon, should have a shape tapered toward the tip.

Quality products, comparable prices, friendly service—all are yours when you shop at A. B. SWEZEY, INC., 615 Main St., 658-2051. Pittsburg Paints with 720 colors to choose. Window Blinds. Lumber. Shutters. Unfinished and Prefinished Flooring. Everything to Build Anything. Open: Daily 8 AM-5 PM, Fridays 8 AM-9 PM.

New Rotarians, who joined the Wilmington Club last week. Bob Wright of Hathaway Road, electrical contractor, and Walter Pierce of Burlington Avenue were inducted into the club by Harold Foley (right), past president of the Wilmington club.

SWIMMING POOL CARE

by

Bob Le Favour

During this week and next I would like to impart some advice on preparing your pool for winter, and to express my pleasure at having had an opportunity to join with you in your summer pool care.

Most pool owners do not drain water from the pool over the winter. As a matter of fact water which has been used for three or four seasons has reached a peak of perfection according to most pool experts.

But anytime water is allowed to stand for a period of time, our old friends, Algae and Bacteria, will mount an attack if the water has no protection against them.

This means that both chlorine and an algicide should be added before covering your pool for the winter.

Since you will need sustained protection, some chemical manufacturers have developed a four part program of winterization, involving first use of a "Super-chlorination and super-algaecidation, followed by the use of time release compacted chlorine and compacted algicide. This I recommend to you, but remember that while ex-

treme cold will arrest the development of algae and bacteria, a warm January thaw will reduce or even eliminate your pool's winter protection.

Watch next week for Deep Freeze, and Other Cold Symptoms.

Bob Le Favour is the owner and operator of Le Favour's Sea-craft, Sportings Goods Shop, in Wilmington, and Le Favour's Sport Shop, in Haverhill. For a number of years he has been associated with the swimming pool industry.

Mr. Le Favour operates the Enchanted Mountain Ski Resort in Jackman, Maine, and for the past several years has served as an advisor to the National Sporting Goods Association.

If there are any questions in this column, please call him at 657-7521, or visit his swimming pool headquarters on Route 38 in Wilmington.

Wesley House

(From front page)

Discussion

The discussion about the use of the Wesley House lasted nearly two hours on Monday evening, and was not only free, but wide ranging.

Mr. Butt told those present in the Fellowship Hall of the Methodist Church that there was no critical need for the building, if another use could be put to it. The Rev. Willis Miller, Pastor, said that the key was to use the property effectively, and this did not necessarily mean a cut-back.

The first mention of the building being used as a 'Drop-In' center by the youth of Wilmington came from Kenneth Butler of West Street, now a divinity student. He was supported by the Rev. John Dunnack, who said that the yf Wilmington has to be shown that it is wanted in this town.

Lester White of the Wilmington Drug Committee expressed a thought about the building being used as a 'Satellite Center' such as has been done in Lowell.

Thoughts about the building being for sale was answered by Mr. Butt, who said that such an idea was for the Administrative Board to decide.

Mr. Zucker arrived half an hour after the discussion started, in company with two members of the Wilmington Recreation Committee, Mrs. Charlotte Stewart and John Waugh. Three youngsters, one of them David Walsh of Grove Avenue, arrived at the same time, and Walsh, before the evening was over, spoke up several times, with his opinions.

One of Walsh's first statements was that the youngsters of Wilmington prefer something like the Coffee House in the Congregational Church, rather than the Youth Canteen sponsored by the St. Thomas Church.

The Coffee House, he said, has up to 200 present sometimes, meets two or three times a week, and does not have the close supervision of the Youth Canteen. He, at a later time described the clubhouse at the Youth Canteen as a place where 'adults were always smelling your breath'.

Mrs. Stewart spoke up to say that there had been trouble with alcoholic beverages near the Youth Canteen, and this was probably the reason for the actions described by Walsh.

Walsh's description of what the youth of Wilmington want had two reactions. Joseph Stone, of the Methodist Church Finance Committee was of the opinion that youth will go one place for a while, and then shift to another place.

Ken Zucker spoke up differently. He spoke of the actions of adults being like those at High School Dances, where youngsters are told "Don't do this - don't do that - don't hold each other too closely when you are dancing - and have a nice time!"

Zucker said that a Drop-In center

is used by youngsters after school for studying, among other things, and that some accomplish more studying in such a center than at home. The youngsters, he said, can get together to help each other with studies.

He was asked by Butt if he had any funds for such a center.

"Hopefully, we might have some next year".

He thought of the Wesley House as being "perfect for the needs of Wilmington's youth", and in answer to another question from Butt, said that very little furniture would be needed.

Kids, he said, like to have some pillows, and sit around on the floor and talk. Zucker was of the belief that the youngsters would keep the place in fairly good condition without having too much adult supervision, if given a chance. "I believe a lot of the work of reconditioning can be done by the youngsters themselves".

He thought of the Wesley House as being "only a part of an overall plan for youngsters", and explained further that they often feel that they are not wanted - and that the 18 year olds do not want to associate with the 13 year olds, too.

"It's all pieces of a larger plan" he said, "I understand there are two thousand (youngsters) in Wilmington".

On a question about drug usage, Mrs Stewart said that not many youngsters

in Wilmington use drugs. "We have been very, very lucky in Wilmington! I don't know how much longer we can extend our luck".

John Waugh told the Task Force that most of the kids he has talked with feel that there should be an adult present in a Drop-In, but that they resent having too many adults.

One of those who spoke up on the needs for Drop-Ins, or similar places was Mrs. Nancy Clark of the School Committee.

"Even if you open St. Thomas Church completely, and the Methodist Church, and St. Dorothy's, you won't have enough room for the youngsters of Wilmington. The schools should be open - but we can't break that, yet".

Finances

Two of those present spoke up to discuss finances for the maintenance of the Wesley House.

Both Gordon Richburg and Joseph Stone told the group that the church cannot consider the use of the Wesley House without some additional funds from other sources - "whether we take care of it ourselves, whether we use it for teen-agers, or for other purposes" (Richburg)

The Rev. Willis Miller answered them in part by saying "Our purpose is not to make money, our purpose is to serve".

Zucker found the Wesley House to be ideal. He is shown with members of the Methodist 'Task Force' before he started the inspection.

L to R: Ken Butler, Rev. John Dunnack, Ken Zucker, Mrs Charlotte Stewart of the Recreation Commission, Paul Butt, chairman; and the Rev. Willis P. Miller.

Selectmen's Meeting

(Fr. Pg. 4)

ust 20th 23 trucks passed her home between 8:55 and 11:40 am. She counted only large trucks. There had been 17 southbound, and 6 northbound.

On a motion by Banda the board voted to erect signs prohibiting heavy trucking on Woburn Street. The signs are to be at Concord Street and Lowell Street.

The ladies thanked the board for the Stop sign at the end of Wildwood Street. Joe Woods of Wildwood Street asked that the sand at the sides of the street left from the recent oiling be swept up. The Town Manager explained that the street sweeper is laid up more than it is operating.

Woods said that his son had lost control of his bicycle and fallen into the roadway due to the sand, and that the boy was nearly hit by a car. He also requested the use of radar on Wildwood Street.

New Business

Banda said that the flooding situation at the Shawsheen School has not yet been corrected. The situation would create problems as soon as the school is opened, he said. He had, he said, color pictures of the standing water. Why had not the contractor done something about it?

Miceli said the drainage problems at Cunningham and Salem Streets had been corrected by a ditch, but now there was an open ditch. He hoped the problem would be solved in the near future.

A problem of drainage on Woodland Road was referred to Bob Palmer, Superintendent of Streets.

Miceli said that the requests of the youths meeting in the Library last Thursday had been presented to the Recreation Commission.

MacDonald wanted to know if there would be any brush cutting along the roadsides. He also wanted something done about a junk car situation on Butters Row.

Backman said he noticed that a sign on the side of one of the buildings in Wilmington Square was still there, despite the fact that the Board of Appeals had ruled against it.

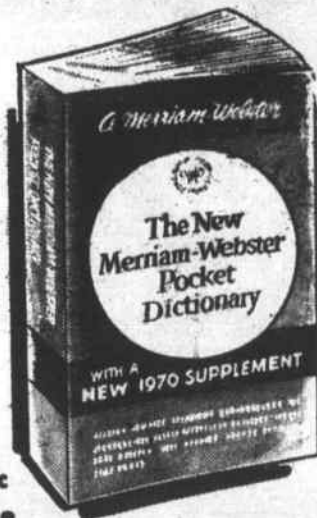

An invitation was received for the Selectmen to attend a "Mayor's and Selectmen's Day" at the Boston Naval Shipyard on Tuesday. (MacDonald and Miceli attended).

The first National Guard Division to arrive in France in 1917 was the 26th (Yankee) Division. The Massachusetts Legislature appropriated funds for its equipment.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Robert C. Foden and Ruth M. Foden to Mt. Vernon Cooperative Bank dated October 30, 1967 and duly recorded with Middlesex North District Deeds in Book 1822, Page 3, of which mortgage the undersigned is the present holder, for breach of conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on the premises below described as Parcel 1 on Wednesday, September 16, 1970, at 10:00 o'clock a.m., all and singular the premises described in said mortgage to wit: "The land with the buildings thereon, situated in Wilmington, Middlesex County and being bounded and described as follows:

PARCEL 1: The land with the buildings thereon containing twenty thousand four hundred (20,400) square feet, and bounded and described as follows: Beginning at the Southeast corner of the premises at a stake on the Western side of Woburn Road at land now or formerly of Abby L. Taylor; thence SOUTH 59 degrees 10' West: Nine (9) feet across the ditch; thence in the same course, along the northerly side of said ditch, one hundred and sixty-eight (168) feet; thence in the same course, forty six and 65/100 (46.65) feet to a stake; thence NORTH 30 degrees 40' West: eighty three and 5/10 (83.5) feet, all by land now or formerly of Abby L. Taylor; thence NORTH 56 degrees 05' East: by said land now or formerly of Elbridge Taylor, two hundred and thirty one and 25/100 (231.25) feet to a stake at said road; thence SOUTHEASTERLY: ninety six and 25/100 (96.25) feet by said road to the point of beginning.

PARCEL 2: A certain parcel of land in the rear of Chestnut Street, bounded and described as follows: EASTERLY by the land now or formerly of Addie Mabel Taylor and Luella Taylor, Trustees under the will of Harry Melvin Taylor, eight and 50/100 (8.50) feet; SOUTHEASTERLY still by other land now or formerly of Addie Mabel Taylor and Luella Taylor by two lines measuring five hundred twenty and 85/100 (520.85) feet; SOUTHWESTERLY by land now or formerly of E. L. Day, sixty nine and 80/100 (69.80) feet; NORTHWESTERLY by land now or formerly of said E. L. Day and land now or formerly of Mrs. Anthony Musolino, four hundred ninety three and 90/100 (493.90) feet; NORTH-EASTERLY by land now or formerly of Mary Quigley and land of William P. Taylor and Blanche P. Taylor, one hundred and eighteen and 50/100 (118.50) feet; and still NORTHEASTERLY by other land of William P. Taylor and Blanche P. Taylor, forty three and 90/100 (43.90) feet. Containing one (1) acre of land as shown on a plan by A. N. Eames and D. W. Foster, Surveyors, dated April 13, 1934 and recorded with the Middlesex North District Registry of Deeds, Book 60, Page 42.

PARCEL 3: A certain parcel of land in the rear of Chestnut Street, bounded and described as follows: Commencing at a point in the brook and following the course of the brook in a general Southerly direction to a point in the stonewall by the land now or formerly of Luella Taylor, surviving Trustee under the will of Harry Melvin Taylor, six hundred forty seven (647) feet, more or less; WESTERLY following the stonewall by land now or formerly of E. L. Day, three hundred eighty five and 40/100 (385.40) feet; NORTHWESTERLY by the land now or formerly of William P. Taylor and Blanche P. Taylor to the point of beginning, five hundred twenty and 85/100 (520.85) feet. Containing two and 77/100 (2.77) acres of land as shown on a plan by A. N. Eames, Engineer, dated June 12, 1939 and recorded in the Middlesex North District Registry of Deeds.

PARCEL 4: A certain parcel of land situated on the Western side of Chestnut Street, bounded and described as follows: NORTHEASTERLY by said Chestnut Street, twenty (20) feet; NORTHWESTERLY by other land now or formerly of Mary J. Guy, formerly Mary J. Quigley, about two hundred forty (240) feet; SOUTHWESTERLY by land now or formerly of Melvin E. Taylor, twenty (20) feet; and SOUTHEASTERLY by said land now or formerly of Melvin E. Taylor, two hundred thirty one and 25/100 (231.25) feet.

Meaning and intending to hereby convey the same premises conveyed to the Grantors by deed of Muriel I. Martin dated October 30, 1967 and herewith to be recorded and be any and all of the aforesaid measurements more or less or however otherwise the aforesaid premises may be bounded and described, including as part of the realty all portable or sectional buildings, heating apparatus, plumbing, ranges, mantels, storm doors and windows, oil burners, gas and oil and electric fixtures, screens, screen doors, awnings, air conditioning apparatus, and other fixtures of whatever kind and nature, on said premises, or hereafter placed thereon prior to the full payment and discharge of this mortgage, insofar as the same are or can be agreed to by the parties be made a part of the realty. Said premises will be sold subject to all real estate taxes and outstanding water charges. One Thousand Dollars (\$1,000.00) cash or certified check to be paid at the time and place of the sale; balance on delivery of deed. Deed to be taken in or within ten (10) days from the date of the sale. Other terms to be announced at the sale. Mt. Vernon Cooperative Bank, by Nathalie Rosenberg, Treasurer, present holder of mortgage. For further particulars, apply to Ralph M. Goldstein, Attorney, 19 Milk Street, Boston, Massachusetts, 02109.

TOWN OF WILMINGTON**PLANNING BOARD PUBLIC HEARING**

A public hearing will be held in the Town House (former Mildred H. Rogers School) on Grove Avenue at 8:30 p.m. September 9, 1970, on certain articles to appear in the Warrant for the next Special Town Meeting. The articles will be discussed in the following order.

ARTICLE - To see if the Town will vote to amend Section I-2 of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

7. High Density Traffic Business Districts (HDTB)

ARTICLE - To see if the Town will vote to amend Section II Definitions of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

13. Drive-in Restaurant. A restaurant or eating place in which food and/or beverages are served to persons for consumption in automobiles or other vehicles, regardless of whether such service is exclusive or in addition to indoor service.

ARTICLE - To see if the Town will vote to amend Section III of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

5. Uses in High Density Traffic Business Districts.

A. In a High Density Traffic Business District, the following uses are hereby permitted.

1. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

2. Commercial parking lot or parking garage; filling or service station and any accessory use thereof; salesroom for new automobiles; open lot parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom; salesroom for boats, trailers, trucks, farm implements or farm machinery.

3. Indoor amusement or recreation place or place of assembly, provided that the building is so insulated and maintained as to confine noise to the premises.

4. Showroom, provided that storage is limited to floor samples.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Hotel or motel, subject to the following conditions.

a. For the purpose of this by-law, a motel shall be defined as a structure or structures containing sleeping rooms or one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for 'First-Class Building'. The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front Yard - No motel shall be permitted within one hundred (100) feet of the sidewalk of each street on which the lot abuts; Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a rear yard of not less than fifty (50) feet; with the exception that no said structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

B. In a High Density Traffic Business District, the following uses are permitted as authorized on appeal by the Board of Appeals and as specified in Section VIII - 2 B hereinafter.

1. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

a. Open lot for parking or sale of used automobiles not operated in connection with a salesroom for new automobiles.

2. Truck terminal or motor freight station.

3. Drive-in restaurant or eating place.

4. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

ARTICLE - To see if the Town will vote to amend Section VIII-2 Appeal B. 1. i. of the Zoning By-Law by inserting the numerals and letter "III-5 B" immediately following "III-4 B", so that the first sentence reads as follows; or do anything in relation thereto.

i. Authorize uses under Sections III-1B, III-2B, III-3B, III-4B and III-5B, as specified therein, after a report thereon from the Town Planning Board.

ARTICLE - To see if the Town will vote to amend Section V Height, Area and Yard requirements of the Zoning By-law by the addition of the following new requirements; or do anything

Street, one hundred eighty-one and 80/100 (181.80) feet; and Southwesterly by land now or formerly of Helen Miller, two hundred eleven and 80/100 (211.80) feet.

All of said boundaries are determined by the Land Court to be located as shown on plan 30949-A, drawn by Carter & Towers Engineering Corp., dated April 25, 1960, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title 12762.

So much of the land registered as is included within the limits of said Marion Street and the Traveled Way, approximately shown on said plan, is subject to the rights of all persons lawfully entitled thereto in and over the same.

So much of the land registered as is included within the limits of said Clifton Street is subject to the rights of all persons lawfully entitled thereto in and over the same; to a water pipe easement set forth in an order by the Town of Wilmington, dated April 3, 1968, duly recorded in Book 1398, Page 587, and to any water pipe easement thereunder.

Said premises will be sold subject to any and all unpaid taxes and other municipal assessments and liens.

One Thousand Dollars will be required to be paid in cash by the purchaser at the time and place of the sale. Other terms will be announced at the sale.

TOWN OF WILMINGTON

BOARD OF APPEALS PUBLIC HEARING 45-70

A public hearing will be held in the Town Hall on Tuesday, September 8, 1970 at 8:00 p.m. on the application of Helen C. Syvertson, Morse Avenue (Joseph F. Courtney, Agent) for a variance to combine two lots at the corner of Morse Avenue and Denault Road and redivide the parcel into two lots. One lot having insufficient depth and area, and one lot having insufficient frontage, depth and area; and to authorize an insufficient side yard for the existing dwelling; and to obtain a building permit thereon.
Robert E. Jennings, Chmn.

Process Camera Technician

Our newly formed type division at 66 Concord Street is now staffing to meet our increasing requirements for type.

Compugraphic is the growth leader in the field of computerized phototypesetting equipment. Recently, we have expanded into type designing and production. This expansion has created a new opening for an individual who would like to do some professional growing with us.

We require a minimum of 5 years experience in all areas of photography and a working knowledge of all phases of process camera operations and capabilities. Familiarity in microphotographic tolerances and techniques extremely helpful.

We can offer an excellent starting salary and highly competitive benefits including: profit sharing, paid vacations, 10 paid holidays, paid sick leave, paid life insurance, BC/BS, Master Medical.

Costly Error

Crusaders Over Performed

The Wilmington Crusaders made a costly error, last Saturday, at the World Open Championship, held in the Manning Bowl, in Lynn.

The Over Performed. Somehow, the Crusaders, and one other corps that was in the competi-
tion, had understood that there was to be a 6 1/2 minute routine, in the competi-
tion. This is what the Wilmington youngsters were ready for, and this was what they did.

The routine, instead, was to be of five minutes duration.

As a result the Crusaders were penalized two points for going over-
time, and were marked as going one and a half minutes longer than any other corps. The other corps, learning by the experience of the Crusaders, was able to put on a five minute routine, when its turn came, later in the day.

According to some spectators, the Crusaders put on their best performance ever, even if it was in an over-time class.

When their score was broken down into an 'errors per minute' category it was found that they would have been in the top eighteen, of the seventy corps which were in the competition.

Because of the excellence of their performance a video tape was made, and transmitted through a closed circuit television network, in the demonstration area under the stadium. Their music was also taped, and is to be available as a recording, in about two weeks, by a New Jersey firm.

Rained Out, Sunday

The contest which was scheduled to be held in Gardner last Sunday was rained out. It was rescheduled for last night.

Next Sunday the Crusaders are to compete in the Mayflower Championship Contest. As of the past week the corps was in a third place standing in the league.

Seek Public Reaction

SCHOOL COMMITTEE TO MEET AT WEST INTERMEDIATE SCHOOL NEXT WEDNESDAY

There is to be a special meeting of the Wilmington School Committee, at 8 pm next Wednesday, in the West Intermediate School.

The purpose of the meeting is to discuss with the public the need for classrooms, in the future, in the planning of Wilmington schools.

During the past months the committee has discussed a possible new High School, a possible addition to the High School, and additions to the two Intermediate Schools and/or the Woburn Street School.

They are hoping for a public reaction to their thoughts, in the meeting of next Wednesday.

The Junior Corps, the Swordsmen, have been requested to act as the 'runners' for the Sunday Chmption-
ship, and will receive the salute from the competing corps.

Saturday the Swordsmen, who have completed their contests for the season, are to be guests of Mr and Mrs James Foley of Hopkins Street, for a cook-out.

End of pre-school Summer Program

Enjoying milk and cookies, as their summer pogram comes to an end. Youngsters shown last Thursday, in the Public Library, who for four mornings a week since last June have been having a program in the Children's Room under the direction of Miss Victoria Fogg.

The program included singing, dancing, games, stories and coloring and over 100 pre-schoolers took part. It has led to the development of numerical and language schools, as well as social skills.
